Fall Workshop Virtual Roundtable

Wednesday, October 14, 2020

Please note correction.

10:00 —11:00 AM

Zoom Meeting

COVID-19 has forever changed the landscape for parks and recreation providers across the country. Join the Connecticut Parks Association Board of Directors, led by Moderator Josh Medeiros, for a Virtual Roundtable on Wednesday, October 14th from 10-11am to discuss parks during the pandemic. The session will include a variety of discussion topics including how staff are keeping park users safe, how has COVID-19 shaped the role of parks in our communities, and finally what does the future hold for the profession. Park professionals will have the opportunity to network with colleagues, share out and learn from each other.

RSVP By Tuesday October 13, 2020

(extended deadline)
