## Tour of UCONN Student Recreation Center

Join CPA and the staff of UCONN Recreation staff for a discussion and tour of UCONN's new Recreation Center.

Construction is complete on UConn's dynamic new three-story, 191,000 square foot Student Recreation Center. The Design Phase began in October 2015 and the new Student Recreation Center was built from a \$100 million project budget, conforms to Connecticut High Performance Building Code regulations and will be registered as a LEED GOLD project. The center contains fitness areas, multi-activity courts including volleyball and badminton, basketball and racquet ball courts, two swimming pools, indoor track, fitness studios, an indoor rock climbing wall, a juice bar and supporting office spaces for the UConn Recreation Department. Come learn about the project and tour the facility.

(Park in the South Parking Garage near Gampel Pavilion.)

**RSVP By Friday, January 10, 2020**
