## 2021 DENNIS MALONE MEMORIAL SCHOLARSHIP APPLICATION

The scholarship award program was named in honor of Dennis Malone after he passed away in 1998. Dennis was a past president of the Association and founder of the scholarship program. The scholarship serves to perpetuate the memory of Dennis Malone by making scholarship awards to future professionals who display potential for this profession. The scholarship awards are open to applicants who are high school graduating seniors planning to attend an accredited two or four-year college and pursue a career in park management, forestry, horticulture, agronomy, or a closely related field. Selection for the awards is based on financial need, academic achievement, and involvement in activities related to the intended course of study.
